PROFILE

Detail-oriented and analytical IT practitioner with a strong interest in eCommerce and digital marketing. Experienced in administrative support, data tracking, and using digital tools to improve workflow. A fast learner with a proactive mindset and clear communication skills, ready to leverage technical academic training to contribute to a results-driven team.

WORK EXPERIENCE

St. John Paul II College of Davao

2023 - 2026

School Administrator

- Managed student records, enrollment documents, and academic files with accuracy and confidentiality.
- Prepared reports, correspondence, and official documents as required by the administration.
- Prepared source data for computer entry by compiling and sorting information.

Private Tutor

2020 - 2022

- Helped students prepare for tests and exams by providing guidance, motivation, and encouragement.
- Collaborated with students to complete homework assignments, identify lagging skills, and correct weaknesses.
- Guided students through problem-solving exercises designed to build critical thinking skills essential for academic success.

Graphic Designer/Data Encoder

2021 - 2026

- Designed visual materials using Canva, Draw.io, PowerPoint, and other tools, creating engaging graphics for various projects.
- Performed data encoding, organization, and management using Microsoft Word, Excel, Google Docs, and Google Sheets with accuracy.
- Built simple and basic websites using Figma, HTML, CSS, and JavaScript to support projects and personal initiatives.
